Fill in the gaps

Remix (I Like The) by New Kids On The Block

She was that girl in the corner	I need it
Thick rimmed glasses	Need it, go
Everybody laughed	Baby I (8) the new you
Every time she passed us	Come on
Ever the outcast had no flava	I like the remix, baby
But who got the last laugh, hey	I like the remix, remix
Always (1) last	I like the remix, baby
No one ever (2) her	I like the remix, remix (break it down)
Missing for days	Do what you doing, I like
But (3) missed her	The way you do it
She went from wallpaper to heartbreaker	Do what you doing, I like
You shoul have seen her	The way (you do it, do it)
Guitar	I like the new you
Baby I like the new you	Forget about the old school
like the remix, baby	I love the (9) thing you turned into
(4) the remix, remix	So give me the V2
Do (5) you doing, I like	Some of that love fuel
The way you do it	I like the beat
Do what you doing, I like	That your body moves to, moves to
The way you do it (do it)	Do what you doing, I like
Now her body's so crazy	The way you do it girl (I'm speechless, come on
Got mad attention	I like the remix, baby (I like the new you)
Everybody (6) her	The one you turned into

My baby's so intelligent	I like the remix, baby
Down (7) it, independent, got it all	Sexy, sexy thing
See no one ever knew	I like the remix, remix
