Fill in the gaps

Good Life by OneRepublic

Woke up in London yesterday
Found myself in the city near Piccadilly
Don't really know how I got here
I got some pictures on my phone
New names and numbers that I don't know
Address to places like Abbey Road
Day turns to night, night turns to whatever we want
We're young enough to say
Oh... this is gonna be good life
This is gonna be good life
This could be a good life, good life
Say oh..., got this feeling that you can't fight
Like this city is on fire night
This could be good life
A good, good life
To my friends in New York, I say hello
My friends in L.A. (1)_____ don't know
Where I've been for the past few years or so
Paris to China to Col-or-ado
Sometimes there's airplanes I can't jump out
Sometimes there's bullshit that don't work now
We are god of stories but please tell me-e-e-e
What there is to complain about
When you're (2)_____ like a fool
Let it take you over
When everything is out
You (3)_____ take it in
Oh... this is gonna be good life
This is gonna be good life
This could be (4)_____ life, good life
Say oh..., got (5)_____ feeling that you can't fight
Like this city is on fire night
This could be a good life
A good, good life
(...)
Hopelessly
I feel like that might be something (6)_____ I'll miss
Hopelessly
I (7)_____ like the window closes oh so quick
Hopelessly
I'm taking a mental picture of you now
'Cuz hopelessly
The hope is we have so much to feel good about
Oh... this is gonna be good life
This is gonna be good life
This could be a good life, good life
Say oh..., got (8)_____ feeling that you can't fight
Like this city is on fire night
This could be good life
A good, good life
(...good, good life..., good life..., (9)_____ life...)
To my friends in New York, I say hello
My friends in L.A. they don't know
Where I've been for the past few years or so
Paris to (10)_____ to Col-or-ado
Sometimes there's airplanes I can't jump out
Sometimes there's bullshit that don't work now
We are god of stories but please tell me-e-e-e
What there is to complain about

Fill in the gaps

Answer

1. they
