

That you made with plastic power

Fill in the gaps

I'm a scary gargoyle on a tower	Your rhinestone eyes are (19)
That you made (1) plastic power	(20) far away
Your (2) eyes are (3)	(Here we go again)
factories far away	That's electric
When the (4) dreams (5)	That's electric
we all (6) to keep	Helicopters fly over the beach
Drive on engines till they weep	Same time (21) same routine
With (7) pixels in (8)	Clear target in the summer when (22) are blue
far away	Its (23) of the noise when winter comes
So call the mainland from the beach	It reverberates in my lungs
Your heart is now (9) up in bleach	Natures' corrupted in factories far away
The waves are rising for this (10) of year	(Here we go again)
And (11) knows what to do with the heat	That's electric
Under (12) pylons we'll (13)	Your loves' like rhinestones, falling from the sky
while	That's electric
Rain is falling (14) (15)	With future pixels in factories far away
from the sky	(Here we go again)
I got a feeling now my heart is frozen	That's electric
All the phoses and growsin	Your (24) like rhinestones,
Happy and (16) native in my soul	(25) from the sky
I prayed on the unmovable	That's electric
Yeah, clinging to the adam's of rock	With (26) pixels in factories far away
Seasons seas just (17) Signs are change	(Here we go again)
I (18) see now she said taxi	
I that light is so I can take	
Storm bring strange loyalties and skies	
I'm a scary gargoyle on a tower
