

Fill in the gaps

I'm a scary gargoyle on a tower			
That you made with plastic power			
Your rhinestone eyes are like factories far away			
When the paralytic dreams that we all seem to keep			
Drive on engines till (1) weep			
With future pixels in factories far away			
So call the mainland from the beach			
Your heart is now washed up in bleach			
The waves are rising for this time of year			
And nobody knows what to do (2) the hear			
Under sunshine pylons we'll meet while			
Rain is falling like rhinestones from the sky			
I got a feeling now my heart is frozen			
All the phoses and growsin			
Happy and after native in my soul			
I prayed on the unmovable			
Yeah, clinging to the adam's of rock			
Seasons seas just smooth Signs are change			
I (3) see now she said taxi			
I that light is so I can take			
Storm (4) strange loyalties and skies			
I'm a (5) gargoyle on a tower			
That you (6) with plastic power			

Your rhinestone eyes are like factories far away			
(Here we go again)			
That's electric			
That's electric			
Helicopters fly over the beach			
Same time everyday same routine			
Clear target in the summe	er when (7)	are blue	
Its part of the (8)	when winter comes	;	
It (9)	in my lungs		
Natures' corrupted in fact	ories far away		
(Here we go again)			
That's electric			
Your loves' like rhinestones, falling from the sky			
That's electric			
With future pixels in factories far away			
(Here we go again)			
That's electric			
Your loves' like rhinestones, falling from the sky			
That's electric			
With (10)	pixels in factories far aw	ay	
(Here we go again)
