## Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn	So lost in the moments when you're in them
Well that's alright because I like the way it hurts	It's the craze that the corporate controls you both
Just gonna stand there and hear me cry	So they say (6) best to go your seperate ways
Well that's alright because I love the way you lie	Guess they don't know you
I love the way you lie	Cause today, that was yesterday
[Eminem]	Yesterday is over, it's a different day
I can't tell you what it really is	Silent broken records (7) over
I can only tell you what it feels like	But you promised her next time you'll show restrain
And right now there's a steel knife in my windpipe	You don't get another chance
I can't breathe but I still fight while I can fight	Life is no nintendo game, but you lied again
As long as the wrong feels right it's like I'm in flight	Now you get to watch her leave out the window
High off of love, drunk from my hate	I guess that's why they call it window pane
Its like I'm huffing paint	[Rihanna]
And I love it the more that I suffer, I suffocate	Just gonna stand there and watch me burn
And right before I'm about to drown she resuscitates me	Well that's alright because I like the way it hurts
She (1) hates me and I love it, wait	Just gonna stand there and hear me cry
Where you going, I'm leaving you	Well that's alright because I love the way you lie
No you ain't, come back	I love the way you lie, I love the way you lie
We're running right back	[Eminem]
Here we go again, it's so insane	Now I know we said things
Cause when it's going good it's going great	Did things that we didn't mean
I'm superman with the wind at his back, she's Lois Lane	And we fall back into the same patterns, same routine
But when it's bad it's awful I feel so ashamed, I snapped	But your temper is just as bad is mine is
Who's that dude I don't even (2) his name	You're the same as me
I laid hands on her, I'll (3) stoop so low again	When it comes to love you're just as blinded
I guess I don't know my own strength	Baby, please come back it wasn't you (8) it was
[Rihanna]	me
Just gonna stand there and watch me burn	Maybe our relationship isn't as (9) as it seems
Well that's alright because I like the way it hurts	Maybe that's what happens when a tornado meets a valcano
Just gonna stand there and hear me cry	All I know is I love you too much to walk away though
Well that's alright because I love the way you lie	Come inside, pick up your bags off the sidewalk
I love the way you lie, I love the way you lie	Don't you hear sincerity in my voice when I talk?
[Eminem]	Told you this is my fault, look in the eyeball
You ever love somebody so much	Next time I'm pissed I'll aim my fist at the drywall
You can barely breathe when you're with 'em	Next time, there won't be no next time
You meet and neither one of you even know what hit 'em	I (10) even though I know it's lies
Got (4) warm fuzzy feeling	I'm tired of the games I just want her back
Yeah them chills used to get 'em	I know I'm a liar if she ever tries to fucking leave again
Now you're getting fucking sick at lookin at 'em	I'mma tie her to the bed and set this house on fire
You swore you'd never hit 'em	[Rihanna]
Never do nothing to hurt 'em	Just gonna stand there and watch me burn
Now you're in each others face	Well that's alright because I like the way it hurts
Spewing venom in your words when you spit 'em	Just gonna stand there and hear me cry
You push, pull (5) other's hair, scratch, claw	Well that's alright because I love the way you lie
Bit 'em, throw 'em down, pin 'em	I love the way you lie, I love the way you lie
