Love The Way You Lie (with Eminem) by Rihanna

Just gonna stand there and watch me burn	So lost in the moments when you're in them
Well (1) alright because I like the way it	It's the craze that the (15) controls you
hurts	both
Just gonna stand there and hear me cry	So (16) say it's best to go your seperate ways
Well that's alright because I love the way you lie	Guess they don't know you
I love the way you lie	Cause today, that was yesterday
[Eminem]	Yesterday is over, it's a different day
I can't tell you what it really is	Silent (17) records (18)
I can only tell you what it feels like	over
And right now there's a steel knife in my windpipe	But you (19) her next time you'll show
I can't breathe but I still fight while I can fight	restrain
As long as the wrong (2) right it's like I'm in flight	You don't get another chance
High off of love, drunk from my hate	Life is no nintendo game, but you lied again
Its like (3) huffing paint	Now you get to watch her leave out the window
And I love it the more (4) I suffer, I suffocate	I guess that's why they call it window pane
And right before I'm about to drown she resuscitates me	[Rihanna]
She fucking hates me and I (5) it, wait	Just gonna stand there and watch me burn
Where you going, I'm leaving you	Well that's alright because I like the way it hurts
No you ain't, come back	Just gonna stand there and (20) me cry
We're running right back	Well that's (21) (22) I
Here we go again, (6) so insane	love the way you lie
Cause (7) it's going good it's going great	I love the way you lie, I love the way you lie
I'm superman with the wind at his back, she's Lois Lane	[Eminem]
But when it's bad it's (8) I feel so ashamed, I	Now I know we said things
snapped	Did things that we didn't mean
Who's that dude I don't even know his name	And we fall back into the same patterns, same routine
I (9) hands on her, I'll never stoop so low again	But your temper is (23) as bad is mine is
I guess I don't know my own strength	You're the same as me
[Rihanna]	When it comes to love you're (24) as blinded
Just gonna stand there and watch me burn	Baby, please come back it wasn't you maybe it was me
Well that's alright (10) I like the way it hurts	Maybe our relationship isn't as crazy as it seems
Just gonna stand there and (11) me cry	Maybe that's what happens when a tornado meets a valcano
Well that's alright because I love the way you lie	All I know is I love you too much to walk away though
I love the way you lie, I love the way you lie	Come inside, (25) up your bags off the sidewalk
[Eminem]	Don't you (26) sincerity in my (27)
You ever love (12) so much	(28) I talk?
You can barely breathe when you're with 'em	Told you this is my fault, look in the eyeball
You meet and neither one of you even know what hit 'em	Next time I'm pissed I'll aim my fist at the drywall
Got that warm fuzzy feeling	Next time, there won't be no next time
Yeah them chills used to get 'em	I apologize even though I know it's lies
Now you're getting fucking sick at lookin at 'em	I'm tired of the games I just want her back
You swore you'd never hit 'em	I know I'm a liar if she ever (29) to fucking
Never do nothing to hurt 'em	(30) again
Now you're in each (13) face	I'mma tie her to the bed and set this house on fire
Spewing venom in your (14) when you spit 'em	[Rihanna]
You push, pull each other's hair, scratch, claw	Just gonna stand there and watch me burn
Bit 'em, throw 'em down, pin 'em	Well that's alright because I like the way it hurts

Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie, I love the way you lie
