

So don't believe in everything

Fill in the gaps

Hey, hey	You think, you think you know
You're almost home	When you're almost there and you're (5)
You're almost home	home
You're almost home	Just (6) up your eyes and go, go
I've seen the light in the sky	When you're almost there, almost home
In the skies are like fireflies	Know you're not alone
Burning bright, just to vanish in the dark	You're (7) home
I've held hope in my two hands	
That there would be another chance	When you let (8) heart be the compass
To (1) the kingdom, I'm (2)	You won't get lost, not if you (9) it
in my heart	When you hear the sound of the trumpet
'Cause underneath the good	Louder than ever before
There's something greater than you know	(Oh) when you're almost there
When you're almost there and you're almost home	Almost home
Just open up your eyes and go, go	Just open up your eyes and go, go
When you're almost there, almost home	'Cause you're almost there
Know you're not alone	Almost home
You're almost home	Know you're not alone
	You're almost home
(You're almost home)	
When you run, run so far	When you're almost there
You've forgotten who you are	Almost home
Where you're from	Just open up your eyes and go, go
It's like some other universe	Almost there
You (3) your steps, (4) they're	You're almost home
regrets	Know you're not alone
You catch one breath then lose the rest	You're (10) home
Wrong is right	
Right is left	
And there's nowhere left to turn
