

## Wild Child by Enya

### Fill in the gaps

Ever close your eyes  
Ever stop and listen  
Ever (1)\_\_\_\_\_ alive  
And you've (2)\_\_\_\_\_ missing  
You don't need a reason  
Let the day go on and on  
Let the rain fall down  
Everywhere around you  
Give into it now  
Let the day surround you  
You don't need a reason  
Let the rain go on and on  
What a day, (3)\_\_\_\_\_ a day to (4)\_\_\_\_\_ to  
What a way, (5)\_\_\_\_\_ a way to make it through  
What a day, what a day to take to a wild child  
Only take the time  
From the helter skelter  
Every day you find  
Everything's in kilter  
You don't need a reason  
Let the day go on and on

Every summer sun  
Every (6)\_\_\_\_\_ evening  
Every spring to come  
Every autumn leaving  
You don't need a reason  
Let it all go on and on  
What a day, (7)\_\_\_\_\_ a day to take to  
What a way, what a way to make it through  
What a day, what a day to take to a (8)\_\_\_\_\_ child  
What a day, what a day to take to  
What a way, what a way to make it through  
What a day, what a day to take to a wild child  
What a day, what a day to take to  
What a way, what a way to make it through  
What a day, what a day to take to  
What a way, what a way to make it through  
What a day, what a day to take to  
...  
What a way, what a way to make it through  
What a day, what a day to take to a wild child  
What a day, what a day to take to a wild child
