Every summer sun
Every winter evening
Every spring to come
Every autumn leaving
You don't need a reason
Let it all go on and on
What a day, what a day to take to
What a way, what a way to (6) it through
What a day, what a day to take to a wild child
What a day, what a day to (7) to
What a way, what a way to make it through
What a day, what a day to take to a (8) child
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to
What a way, what a way to make it through
What a day, what a day to take to a wild child
What a day, (9) a day to (10) to a wild
