## Let's Do The Things We Normally Do by Dido

Let's pretend that we'll be here tomorrow	Let's do the things we normally do
And I'll try for you to be a little more on time	I'll say see you later you'll sing a line or two
I know you need to say you (1) you've let me dow	From your rebel songs sung out of tune
But you haven't and it's hard to talk	Don't hold my hand for longer than you need to
With people all around	Don't look me in the eye more (9) you need to
Please don't say how proud you are	Don't try to say goodbye if I don't want to
Let's do the (2) we normally do	Don't say how proud you are
I'll say see you later	And say I'm far away
You'll sing a line or two	And (10) along your live
From (3) rebel songs sung out of tune	And say a word
Don't (4) my (5) for longer than yo	u And I can say I fade away
need to	And later
	We're so ok
Let's forget that we're here and make some plans	Alone
We'll go for walks	And stay
Sit will go on the bench we always sat	Cold
I'll (6) you every little detail	And say "I'm fine"
Of my day and so will you	And there
But don't try to stay awake	Alone you are
I'm feeling tired too	Alone
This is just another day	And say "you're fine"
Let's do the things we normally do	(Ooh)
I'll say see you later you'll sing a line or two	And say ok
From your rebel songs sung out of tune	(Ooh)
Don't hold my hand for longer than you (7) to	And stay ok
Armored cars and tanks and guns	(Ooh)
Came to take (8) our sons	Alone you stay
And everybody's stood behind	Alone
The man behind the wire	
There's a fight to love	
A fight to have	
Your bed's a battlefield and back
