

No hand to told, no one to bring down with me

Fill in the gaps

I (1) to be so fearless so limitless and free		I wouldn't see the worst and it only hurts me	
Happy on my own and (2) really bothered		I love to be alive but I was not afraid to die	
me			
I had desires to see the world, jump out of planes and fly		I've got everything to lose	
And I (3) to be alive but I was not afraid to die			
		Since I've met you	
I used to be so sure of things and self-contained		I've got (7)	to lose
I could carry on with no need to explain		(Since I've met you)	
It didn't (4) if I ever made	it home		
Could go too fast, and drink all night and dance alone		I've got (8)	to lose
I love to be alive but I was not (5)	to die	Since I've met you	
		•••	
I (6) to be alive but I was not afraid to die		I've got everything to lose	
I've got everything to lose		Since I've met you	
		I've got (9)	to lose
I used to be so thoughtless, so easy and	free	•••	
Could walk away, not think ahead			
And had no plans to keep
