

Fill in the gaps

I (1) to be so fearless so limitless and free	I wouldn't see the worst and it only hurts me
Happy on my own and nothing really bothered me	I (9) to be alive but I was not afraid to die
I had desires to see the world, jump out of planes and fly	
And I (2) to be (3) but I was not	I've got everything to lose
afraid to die	
	Since I've met you
I used to be so sure of things and self-contained	I've got everything to lose
I could carry on (4) no need to explain	(Since I've met you)
It didn't matter if I ever made it home	
Could go too fast, and drink all (5) and dance	I've got everything to lose
alone	
	Since I've met you
I love to be alive but I was not afraid to die	
	I've got everything to lose
I love to be alive but I was not (6) to die	
	Since I've met you
I've got everything to lose	I've got everything to lose
I used to be so thoughtless, so (7) and free	
Could walk away, not think ahead	
And had no plans to keep	
No hand to told, no one to bring (8) with me
