

All of that thick time without you Has made me so thick and drunk "And it's okay to laugh about it" I said, "it's okay to laugh about it" Runnin' twice as fast to stay in the same place Don't catch my breath until the end of the day And I'd rather be shot in the face Than hear what you're going to say One day the wind will (1)____ And you'll come up empty again And who'll be laughing then? You'll come up empty again There's no reason, no explanation, so play the violin It's always funny until (2)___ _____ gets hurt And then it's just hilarious It's always funny until someone gets hurt And then it's just hilarious You beat me every time you blink If only I did not have to think Think about you crackin' a smile
