Last Of The American Girls by Green Day

She puts her (1) up on	All the criminals breaking the laws
Like graffiti on the (2) of the heartland	She will come in first
She's got her little book of conspiracies	For the end of (14) civilization
Right in her hand	She's an endless war
She is (3) like	She's a hero for the (15) cause
Endangered (4) headed into extinction	Like a hurricane
She is one of a kind	In the (16) of devastation
She's the last of the American Girls	She's a (17) disaster
She wears her overcoat	She's the last of the American Girls
For the coming of the nuclear winter	She puts her make up on
She is (5) her bike	Like (18) on the walls of the heartland
Like a (6) of critical mass	She's got her little book of conspiracies
She's on a (7) strike	Right in her hand
For the ones who won't (8) it for dinner	She will (19) in first
She makes (9) to survive	For the end of (20) civilization
For a holiday of working class	She's a (21) disaster
She's a (10) of the	She's the (22) of the (23)
(11) incorporated	Girls
She won't cooperate	(Oh) yeah!
But she's the (12) of the American Girls	All right
She plays her (13) records	(Oh) yeah!
Singing songs on the eve of destruction
