Bloodshot deadbeat and a lack of sleep

Fill in the gaps

Church On Sunday (Live) by Green Day

Today is the first day of the rest	Making your mascara bleed
Of our lives	Tears down your face
Tomorrow is too (1) to pretend	Leaving (5) of my mistakes
Everything's all right now	When I say
I'm not getting any younger as long	If I promise to go to church on Sunday
As you don't get any older	Will you go (6) me on Friday night?
I'm not going to state that yesterday never was	If you live with me, I'll die for you
Bloodshot deadbeat and a lack of sleep	And this compromise
Making your mascara bleed	If I promise to go to church on Sunday
Tears down your face	Will you go (7) me on Friday night?
Leaving traces of my mistakes	If you (8) with me, I'll die for you
When I say	And this compromise
If I promise to go to church on Sunday	
Will you go with me on Friday night?	If I promise to go to church on Sunday
If you live with me, I'll die for you	Will you go with me on Friday night?
And this compromise	If you live (9) me, I'll die for you
I hereby solemnly swear to tell	And this compromise
The (2) truth	If I promise to go to church on Sunday
And (3) but the truth is what	Will you go with me on Friday night?
I'll ever hear from you	If you live with me, I'll die for you
"Trust" is a (4) word that comes	And this compromise
Only from such a liar	And (10) compromise
But "respect" is something I will earn	I said, compromise
