

Waiting for the silent dawn

Fill in the gaps

Let's (1) a game my dear, you	10 untola
Read my mind	Under the influence of wine and jazz
While I try to figure out	I will say I (6) you
What's inside	Then you
Under the influence of wine and jazz	You will believe me though
I will say I love you	One day
So you, you will believe me though	I am feeling fine
One day	But then the (7) I'm feeling down
I am feeling fine	And I don't think that you have ever known me well
Oh, the (2) I'm feeling down	Or listened to those words I sang
And I don't think that you have ever known me well	They were about you
Or listened to the (3) I sang	And I don't think that you have ever felt this way
They were honest	Or (8) to those (9) I sang
And I don't think (4) you have ever felt this way	They were about you
Or listened to those words I sang	One day
They were (5) you	I am feeling fine
About you	So the next I'm feeling down
You	I'm feeling down
You	I'm (10) down
You	I'm feeling fine
My eyes have danced with yours a million times
