

Waiting for the silent dawn

## Fill in the gaps

Let's play a game my dear, you	To unfold
Read my mind	Under the influence of wine and jazz
While I try to figure out	I will say I (4) you
What's inside	Then you
Under the influence of wine and jazz	You will believe me though
I will say I love you	One day
So you, you will believe me though	I am feeling fine
One day	But then the next I'm feeling down
I am feeling fine	And I don't think that you have ever known me well
Oh, the next I'm feeling down	Or listened to those (5) I sang
And I don't think that you have ever (1) me well	They were about you
Or listened to the songs I sang	And I don't (6) that you have ever felt this way
They were honest	Or listened to those words I sang
And I don't think that you (2) ever felt (3)	They were about you
way	One day
Or listened to those words I sang	I am (7) fine
They were about you	So the (8) I'm (9) down
About you	I'm feeling down
You	I'm feeling down
You	I'm (10) fine
You	
My eyes have danced with yours a million times
