Fill in the gaps

Rehab by Rihanna & Justin Timberlake

Baby baby	Don't even recognize the ways you hurt me, do ya?
When we first met, I never felt something so strong	It's (14) (15) a miracle to bring m
You were like my lover and my (1) friend	back
All wrapped into one with a ribbon on it	And you are the one to blame
And all of a sudden, when you left	'Cause now I feel like (ooh!)
I didn't know how to follow	You're the (16) why I'm thinking
It's (2) a shot that spun me around	I don't wanna smoke on these cigarettes no more
And now my heart's dead	I guess (17) is what I get for wishful thinking
I feel so (3) and hollow	Should've never let you (18) my door
And I'll never give myself to another	Next time you wanna go on and leave
The way I gave it to ya	I (19) just let you go on and do it
Don't even recognize the ways you hurt me, do ya?	Now I'm using like I bleed (now I'm using like I bleed)
It's gonna take a miracle to bring me back	It's like I checked into rehab
And you are the one to blame	And baby, you're my disease (you're my disease)
And now I feel like (ooh!)	It's (20) I checked into rehab
You're the reason why I'm thinking	And baby, you're my disease
I don't wanna smoke on (4)	I (21) (22) (23) rehab
(5) no more	'Cause baby you're my disease (you're my disease)
I guess that's what I get for wishful thinking	I gotta check into rehab
Should've never let you enter my door	'Cause baby you're my disease
Next time you wanna go on and leave	Now (24) gimme that
I should just let you go on and do it	(Oh oh oh oh oh oh oh)
'Cause now I'm using like I bleed	(Oh) now gimme that
It's like I checked into rehab	(Oh oh oh oh oh oh oh)
And baby, you're my disease	(Oh) you're the reason why I'm thinking
It's like I checked into rehab	I don't wanna smoke on these cigarettes no more
Baby, you're my disease	I guess this is what I get for wishful thinking
I gotta check (6) rehab	Should've never let you enter my door
'Cause baby you're my disease	Next time you wanna go on and leave
I've gotta check into rehab	I should just let you go on and do it
'Cause baby you're my disease	'Cause now I'm using like I bleed
Damn, ain't it crazy when you're love-swept	It's (25) I (26) into rehab
You'd do anything for the one you love	And baby, you're my disease
Cause (7) (8) you needed me,	It's (27) I checked (28) rehab
I'd be there	And baby, you're my disease
Its like you were my favorite drug	I (29) check into rehab
The only problem was (9) you was using me	'Cause baby you're my disease
In a different way that I was using you	I've gotta check in to rehab
But now that I know that it's not meant to be	'Cause baby you're my disease
You gotta go, I (10) wean (11)	
off of you	
And I'll never give (12) to another	
The way I (13) it to ya
