

Fill in the gaps

The Call by Regina Spektor

It started out as a feeling

Which then (1)_____ into a hope

Which then turned into a quiet thought

Which then turned (2)_____ a quiet word

And then that word (3)_____ louder and louder

'Til it was a battle cry

I'll come back when you call me

No need to say goodbye

Just because everything's changing

Doesn't mean it's never been this way before

All you can do is try to know who your friends are

As you head off to the war

Pick a star on the dark horizon

And follow the light

You'll (4)_____ (5)_____ when it's over

No need to say goodbye

You'll come back (6)_____ it's over

No need to say goodbye

Now we're back to the beginning

It's just a feeling and no one knows yet

But just because they can't feel it too

Doesn't mean (7)_____ you have to forget

Let your memories grow (8)_____ and stronger

'til they're before your eyes

You'll come back when they call you

No need to say goodbye

You'll come back when they call you

No need to say goodbye
