Evil S I yes to (1) a shore	I'll sit and (18) to the sound
A (2) that doesn't quiver anymore	Of sand and cold
And we can (3) some plants to (4)	Twisted diamond heart
my walls	I'm the weekend warrior
And I won't try to fight in the weekend wars	My predictions are the (19) things I have
Was I? I was too lazy to bathe	I can amplify the sound
Or (5) or write or try to make a change	Of light
Now I can shoot a gun to kill my lunch	And love
And I don't have to (6) or think too much	I'm a curse and I'm a sound
Instant battle plans written on the sidewalk	When I open up my mouth
Mental mystics in a twisted metal car	There's a reason I don't win
Tried to amplify the sound	I don't know how to begin
Of light	I'm a curse and I'm a sound
And love	When I (20) up my mouth
Christ is cursed of "faders" and "maders"	There's a reason I don't win
Might even (7) a knife to split a hair	I don't (21) how to begin
Or even (8) the children off my lawn	I'm a curse and I'm a sound
Giving us time to (9) the makeshift bombs	When I open up my mouth
Every mess (10) was a score	There's a (22) I don't win
We couldn't use (11) anymore	I don't (23) how to begin
But it's (12) to win (13)	
you're bored	
And you might have to (14) for the weekend wars	
Try to break my heart, I'll drive to Arizona	
It (15) take a (16)	
(17) to grow an arm
