

## Fill in the gaps

I'm feeling rough, I'm (1) raw	I'll miss my sister, miss my father
I'm in the (2) of my life	Miss my dog and my home
Let's (3) some music, make some money	Yeah, I'll miss the (16) and the freedom
Find some models for wives	And the (17) spent alone
I'll move to Paris	But there is really nothing
Shoot (4) heroin and (5) with the stars	Nothing we can do
You man the island	Love must be forgotten
And the cocaine and the (6) cars	Life can always start up anew
This is our decision	The (18) will have children
To live fast and die young	We'll get a divorce
We've got the vision	We'll find (19) (20) models
Now let's (7) some fun	Everything must run it's course
Yeah, it's overwhelming	We'll (21) on our vomit
But what (8) can we do	And (22) (23) be the end
Get jobs in offices	We were fated to pretend
And wake up for the (9) commute	To pretend
Forget (10) our mothers and our friends	We're fated to pretend
We're (11) to pretend	To pretend
To pretend	I said yeah, yeah, yeah
We're fated to pretend	Yeah, yeah,
To pretend	Yeah, yeah
I'll (12) the playgrounds and the animals	Yeah, yeah
And (13) up worms	
I'll (14) the comfort of my mother	
And the (15) of the world
