

## Fill in the gaps

No more champagne		
And the fireworks are through		
Here we are, me and you		
Feeling lost and feeling blue		
It's the end of the party		
And the morning seems so grey		
So unlike yesterday		
Now's the (1) for us to say		
Happy New Year		
Happy New Year		
May we all have a vision now and then		
Of a world where every neighbour is a friend		
Happy New Year		
Happy New Year		
May we all have our hopes, our will to try		
If we don't we might as well lay down and die		
If we don't we might as well lay down and die		
If we don't we might as well lay down and die You and I		
ů ,		
You and I		
You and I Sometimes I see		
You and I Sometimes I see How the brave new world arrives		
You and I Sometimes I see How the brave new world arrives And I see how it thrives		
You and I Sometimes I see How the brave new world arrives And I see how it thrives In the ashes of our lives		
You and I Sometimes I see How the brave new world arrives And I see how it thrives In the ashes of our lives (Oh yes) man is a fool		
You and I Sometimes I see How the brave new world arrives And I see how it thrives In the ashes of our lives (Oh yes) man is a fool And he thinks he'll be okay		

Happy New Year Happy New Year

May we all have a (3)	now and then		
Of a world where every neighbour is a friend			
Happy New Year			
Happy New Year			
May we all have our hopes,	our (4)	to try	
If we don't we might as well lay down and die			
You and I			
Seems to me now			
That the (5)	we had before		
Are all dead, (6)	more		
Than (7)	_ on the floor		
It's the end of a decade			
In (8) ten years' time			
Who can say what we'll find			
What lies waiting down the line			
In the end of eighty-nine			
Happy New Year			
Happy New Year			
May we all have a vision now and then			
Of a world (9)	every neighbour i	s a friend	
Happy New Year			
Happy New Year			
May we all have our hopes, our will to try			
If we don't we might as well lay down and die			
You and I
