No more champagne	May we all have a (13) now and then
And the fireworks are through	Of a world (14) (15) neighbour is a
Here we are, me and you	friend
Feeling lost and feeling blue	Happy New Year
It's the end of the party	Happy New Year
And the morning (1) so grey	May we all (16) our hopes, our (17) to
So unlike yesterday	try
Now's the time for us to say	If we don't we might as well lay (18) and die
Happy New Year	You and I
Happy New Year	Seems to me now
May we all (2) a vision now and then	That the dreams we had before
Of a (3) where (4)	Are all dead, (19) more
(5) is a friend	Than (20) on the floor
Happy New Year	It's the end of a decade
Happy New Year	In another ten years' time
May we all have our hopes, our (6) to try	Who can say what we'll find
If we don't we might as well lay (7) and die	What lies waiting down the line
You and I	In the end of eighty-nine
Sometimes I see	Happy New Year
How the brave new (8) arrives	Happy New Year
And I see how it thrives	May we all have a vision now and then
In the (9) of our lives	Of a world where every neighbour is a friend
(Oh yes) man is a fool	Happy New Year
And he (10) he'll be okay	Happy New Year
Dragging on, (11) of clay	May we all (21) our hopes, our will to try
Never knowing he's astray	If we don't we might as well lay (22) and die
Keeps on (12) anyway	You and I
Happy New Year
