Something About December by Christina Perri

Lights around the tree	Every Christmas dream
Mama's whistling	They live in you and me
Takes me (1) again	Let all your memories hold you close
There's something about December	No matter where you are
We're hanging mistletoe	You're not alone
And hoping (2) it snows	Because the ones you love are never far
I close my eyes and then	If Christmas is in your heart
I can (3) remember	Lights around the tree
How to get back home	Mama's whistling
Let all your (4) hold you close	Takes me back again
No matter where you are	There's something about December
You're not alone	Let all your memories hold you close
Because the ones you (5) are (6) far	No matter where you are
If (7) is in (8) heart	You're not alone
Who really needs a gift	Because the ones you love are (9) fa
When love is meant to give	If Christmas is in your heart
I can still recall
