Trouble by Leona Lewis

You drink more than you used to

Fell in love, how could you

Trust your heart like only fools do

Go on, let it bleed

You smoked ten, now it's twenty

Bet you wish you never met me

To stick around, you must be crazy

Go on, let it bleed

I told you never to get used to me

I (1)_____ awake when you fall asleep

I'm a whole lot of trouble

We're in a whole lot of trouble

I told you you should never follow me

But here we are, and you're into deep

I'm a whole lot of trouble

We're in a whole lot of trouble

You shout louder than you used to

And you hold on tighter in the bedroom

Stick around like imma change soon

Go on, let it bleed

As you (2)_____ there trying to save me

Use your (3)_____ and, babe, believe me

Gonna take much (4)_____ than a heart to save me

Go on, let it bleed

I told you (5)_____ to get used to me

I still (6)_____ when you fall asleep

I'm a whole lot of trouble

We're in a whole lot of trouble

I told you you should never follow me

But here we are, and you're into deep

I'm a whole lot of trouble

We're in a whole lot of trouble

Run away now, (7)_____ your back on me

You'll be praying for the strength to leave

I told you never to get used to me

I still awake when you fall asleep

I'm a whole lot of trouble

We're in a whole lot of trouble

I told you you should never follow me

But here we are, and you're into deep

I'm a whole lot of trouble

We're in a whole lot of trouble
