What About Now by Westlife

Fill in the gaps

Shadows fill an empty heart	Never went away
As love is fading	What if it's (16) behind
From all the things that we are	Words we could never find
But are not saying	Baby, (17) it's too late
Can we see beyond the scars	What about now
And make it to the dawn	Now (18) we're here
Change the colours of the sky	Now (19) we've come this far
And (1) up to	Just (20) on
The ways you (2) me (3) alive	There is nothing to fear
The (4) I (5) you	For I am (21) beside you, for
For all the things that never died	All my life I am yours
To (6) it through the night, love will find you	What about now
What about now	What about today
What about today	What if you're making me
What if you're (7) me	All that I was meant to be
All that I was (8) to be	What if our love
What if our love	Never (22) away
Never went away	What if it's lost behind
What if it's lost behind	Words we could never find
Words we could never find	What about now
Baby, before it's too late	What about today
What about now	What if you're making me
The sun is breaking in (9) eyes	All that I was (23) to be
To start a new day	What if our love
This broken (10) can still survive	Never (24) away
With a touch of (11) grace	What if it's (25) behind
Shadows fade into the light	Words we (26) (27) fin-
I am by (12) (13) where love will find	Baby, before it's too late
you	Baby, before it's too late
What (14) now	Baby, (28) it's too late
What about today	What about now
What if you're (15) me	
All that I was meant to be	
What if our love
