Bodies by Robbie Williams

Fill in the gaps

God gave me the sunshine	Bodies in the cemetery
Then showed me my lifeline	And that's the way it's gonna be
I was (1) it was all mine, then I got laid on a late	All we've ever wanted
line	Is to look good naked
What a day, what a day	Hope that someone can take it
And your Jesus really died for me	God save me rejection
Then Jesus (2) tried for me	From my reflection
UK and entropy	I want perfection
I feel like it's (****) me	Bodies in the Bodhi tree
Wanna feed off the energy	Bodies (13) chemistry
Love (3) (4) a deity	Bodies on my family
What a day, one day	Bodies in the way of me
And your (5) really (6) for me	Bodies in the cemetery
I guess Jesus (7) tried for me	Bodies in the Bodhi tree
Bodies in the Bodhi tree	Bodies making chemistry
Bodies making chemistry	Bodies on my family
Bodies on my family	Bodies in the way of me
Bodies in the way of me	Bodies in the cemetery
Bodies in the cemetery	And that's the way it's (14) be
And that's the way it's (8) be	All we've ever wanted
All we've ever wanted	Is to look good naked
Is to look good naked	Hope (15) (16) can take it
Hope that someone can take it	So God save me rejection
God (9) me rejection	From my reflection
From my reflection	I want perfection
I (10) perfection	Jesus didn't die for you
Praying for the Rapture	What did you want
'Cause it's (11) getting stranger	I (17) perfection
And everything's contagious	Jesus didn't die for you
It's the (12) middle ages	What did you want
All day, every day	Oh Lord
And if Jesus really died for me	Jesus came and died for you
Then Jesus really tried for me	Jesus came and (18) for you
Bodies in the Bodhi tree	Jesus came and died for you
Bodies making chemistry	
Bodies on my family	
Bodies in the way of me
