Girl imagine that

Fill in the gaps

AutoTune by Jason Chen & Bubzbeauty

	You always know how to bring me right back
I was young lost stupid	When my pitch is off
Didn't know what I was doing wrong	You make it all right when its all so wrong
Just eat sleep feeling free	You're my (5) tune, you can be my (6)
Then I'd party all (1) long	tune
But I would never get too worried	
About the (2) things in life	Be my auto tune
I knew I won the lottery	
'Cause baby can't you see	Baby be my auto tune
Just thinking about you as I sing this song	
'Cause when you're around I can do no wrong	Just thinking about you as I sing this song
And I'm never too sharp, never flat	'Cause when you're around I can do no wrong
Girl imagine that	And I'm never too sharp, never flat
You always (3) how to bring me right back	Girl imagine that
When my pitch is off	You always know how to bring me right back
You make it all right when its all so wrong	When my pitch is off
You're my auto tune, you can be my auto tune	You make it all right (7) its all so wrong
	You're my (8) tune (you can be my auto tune)
Now I've found my way girl ever since you came along	Just thinking about you as I sing this song
As I listen to the radio, bumping to our (4)	'Cause when you're around I can do no wrong
song	And I'm never too sharp, never flat
You mean more than a Grammy	Girl imagine that
And all the money in the world	You always know how to bring me right back
Every time that I get off key girl	When my pitch is off
Continue to save me	You make it all right when its all so wrong
Just thinking about you as I sing this song	You're my auto tune
'Cause when you're around I can do no wrong	You can be my (9) tune
And I'm never too sharp, never flat
