

Fill in the gaps

AutoTune by Jason Chen & Bubzbeauty

	You always know how to (13) me right back
I was young lost stupid	When my pitch is off
Didn't know (1) I was (2) wrong	You (14) it all right when its all so wrong
Just eat (3) feeling free	You're my (15) tune, you can be my (16)
Then I'd party all night long	tune
But I would never get too worried	
About the little things in life	Be my auto tune
I knew I won the lottery	
Cause baby can't you see	Baby be my auto tune
Just thinking about you as I (4) this song	
Cause when you're around I can do no wrong	Just (17) about you as I sing
And I'm (5) too sharp, never flat	(18) song
Girl imagine that	'Cause when you're around I can do no wrong
You always know how to bring me right back	And I'm (19) too sharp, never flat
When my pitch is off	Girl imagine that
You make it all right (6) its all so wrong	You always know how to (20) me
You're my auto tune, you can be my auto tune	(21) back
	When my (22) is off
Now I've found my way girl ever since you (7)	You make it all (23) when its all so wrong
along	You're my auto (24) (you can be my
As I listen to the radio, (8) to our catchy	(25) tune)
song	Just (26) about you as I sing this song
You mean (9) (10) a Grammy	'Cause when you're around I can do no wrong
And all the money in the world	And I'm never too sharp, never flat
Every time that I get off key girl	Girl imagine that
Continue to save me	You (27) know how to bring me right back
Just thinking about you as I sing this song	When my pitch is off
'Cause when you're around I can do no wrong	You make it all right when its all so wrong
And I'm (11) too sharp, never flat	You're my auto tune
Girl (12) that	You can be my auto tune
