AutoTune by Jason Chen & Bubzbeauty

	You always know how to bring me right back
I was young lost stupid	When my pitch is off
Didn't know what I was doing wrong	You make it all (8) when its all so wrong
Just eat sleep feeling free	You're my auto tune, you can be my auto tune
Then I'd party all night long	
But I (1) never get too worried	Be my auto tune
About the little things in life	
I knew I won the lottery	Baby be my auto tune
'Cause baby can't you see	
Just thinking about you as I sing (2) song	Just thinking about you as I sing this song
'Cause when you're around I can do no wrong	'Cause when you're around I can do no wrong
And I'm never too sharp, never flat	And I'm never too sharp, never flat
Girl (3) that	Girl imagine that
You always know how to bring me right back	You always know how to bring me right back
When my pitch is off	When my pitch is off
You make it all right (4) its all so wrong	You make it all right when its all so wrong
You're my auto tune, you can be my auto tune	You're my auto tune (you can be my auto tune)
	Just thinking about you as I (9) this song
Now I've found my way girl ever since you came along	'Cause when you're around I can do no wrong
As I listen to the radio, bumping to our catchy song	And I'm never too sharp, never flat
You mean more than a Grammy	Girl imagine that
And all the money in the world	You always know how to bring me right back
Every (5) I get off key girl	When my pitch is off
Continue to save me	You make it all right when its all so wrong
Just thinking about you as I sing this song	You're my auto tune
'Cause (7) you're around I can do no wrong	You can be my auto tune
And I'm never too sharp, never flat
