

Fill in the gaps

Figure 8 by Ellie Goulding

Breathe your smoke into my lungs

In the back of the car (1)_____ you I stare into the sun

Still not too old to die young

The lovers (2)_____ on to everything

And others hold on to anything

I chased your love around a figure eight

I need you (3)_____ than I can take

You promised forever and a day

And then you take it all away

(Way, way, way)

And then you take it all away

(Way, way, way, way)

Place a kiss on my cheekbone

Then you vanish me, I'm buried in the snow

But something (4)_____ me I'm not alone

But lovers (5)_____ on to everything

And others hold on to anything

I chased your love around a figure eight

I need you more than I can take

You promised forever and a day

And then you take it all away

(Way, way, way)

And then you take it all away

(Way, way, way, way, way)

So lovers hold on to everything

And others (6)_____ to anything

So lovers (7)_____ on to everything

And others hold to anything

I (8)_____ your love around a figure eight

I need you more than I can take

You promised forever and a day

And then you (9)_____ it all away

I chased your love around a figure eight

I need you more than I can take

You promised forever and a day

And then you take it all away

(Way, way, way, way, way...)

And then you take it all away

(Way way, way, way)
