

Fill in the gaps

Breathe your smoke into my lungs		
In the back of the car with you I stare into the sun		
Still not too old to die young		
The lovers hold on to everything		
And others hold on to anything		
I chased your love around a figure eight		
I need you more than I can take		
You promised forever and a day		
And then you take it all away		
(Way, way, way)		
And then you take it all away		
(Way, way, way, way)		
Place a kiss on my cheekbone		
Then you (1) me, I'm buried in the snow		
But (2) (3) me I'm not		
alone		
But (4) hold on to everything		
And others (5) on to anything		
I chased your love around a figure eight		
I need you more than I can take		
You promised forever and a day		
And then you (6) it all away		

(Way, way, way)	
And (7) you	take it all away
(Way, way, way, way, v	vay)
So lovers hold on to eve	erything
And others hold to anyt	hing
So lovers hold on to eve	erything
And others hold to anyt	hing
I chased your love (8)_	a figure eight
I need you more than I	can take
You (9)	forever and a day
And then you take it all	away
I chased your love arou	nd a figure eight
I need you more than I	can take
You (10)	forever and a day
And then you take it all	away
(Way, way, way, way, v	vay)
And then you take it all	away
(Way way, way, way)
