

Fill in the gaps

Figure 8 by Ellie Goulding

Breathe your smoke into my lungs

In the (1)_____ of the car with you I stare into the sun

Still not too old to die young

The lovers hold on to everything

And others hold on to anything

I chased your love around a (2)_____ eight

I need you more than I can take

You promised forever and a day

And then you take it all away

(Way, way, way)

And then you take it all away

(Way, way, way, way)

Place a kiss on my cheekbone

Then you vanish me, I'm buried in the snow

But (3)_____ tells me I'm not alone

But lovers hold on to everything

And others hold on to anything

I chased your love around a (4)_____ eight

I need you more than I can take

You promised forever and a day

And then you (5)_____ it all away

(Way, way, way)

And then you take it all away

(Way, way, way, way, way)

So lovers (6)_____ on to everything

And others hold to anything

So (7)_____ hold on to everything

And (8)_____ hold to anything

I chased your love around a figure eight

I need you more than I can take

You promised forever and a day

And then you take it all away

I chased your love around a figure eight

I need you more than I can take

You promised forever and a day

And then you take it all away

(Way, way, way, way, way...)

And then you take it all away

(Way way, way, way)
