

Figure 8 by Ellie Goulding Breathe your smoke into my lungs

In the back of the car with you I stare into the sun
Still not too old to die young
The (1) hold on to everything
And others hold on to anything
I chased your (2) around a figure eight
I need you more than I can take
You (3) forever and a day
And then you take it all away
(Way, way, way)
And then you take it all away
(Way, way, way, way)
Place a kiss on my cheekbone
Then you vanish me, I'm buried in the snow
But (4) tells me I'm not alone
But lovers hold on to everything
And others (5) on to anything
I chased your love around a figure eight
I need you more than I can take
You promised forever and a day
And then you take it all away

Fill in the gaps

(vvay, way, way)
And then you take it all away
(Way, way, way, way)
So lovers hold on to everything
And others hold to anything
So lovers hold on to everything
And others (6) to anything
I chased your love around a (7) eigh
I need you more than I can take
You promised forever and a day
And then you take it all away
I chased your love (8) a figure eight
I need you (9) than I can take
You promised forever and a day
And (10) you take it all away
(Way, way, way, way)
And then you take it all away
(Way way, way, way)
