

But that won't keep me warm in the middle of the night

Fill in the gaps

That Don't Impress Me Much by Shania Twain

I've known a few guys who thought they were pretty smart	That don't impress me much
But you've got (1) right down to an art	You're one of those guys who likes to shine his machine
You think you're a genius, you (2) me up the	You make me (7) off my shoes before you let m
wall	get in
You're a regular original, a know-it-all	I can't believe you kiss your car good night
You think you're special	Now come on baby tell me
You think you're something else	You must be joking, right
Okay, so you're a rocket scientist	You think you're something special
That don't impress me much	You think you're something else
So you got the brain but have you got the touch	Okay, so you've got a car
Don't get me wrong, yeah, I think you're alright	That don't impress me much
But that won't (3) me warm in the middle of the	So you got the moves but (8) you got the touch
night	Now, don't get me wrong, yeah, I think you're alright
That don't impress me much	But that won't keep me warm in the middle of the night
I never knew a guy who carried a mirror in his pocket	That don't impress me much
And a comb up his sleeve, just in case	You think you're cool but (9) you got the touch
And all that (4) hold gel in your hair ought to lock	Don't get me wrong, yeah, I think you're alright
it	But that won't keep me warm on the long, cold, lonely night
'Cause (5) forbid, it should fall out of place	That don't impress me much
You think you're special	Ok, so (10) do you think you're Elvis or something
You think you're (6) else	Whatever
Okay, so you're Brad Pitt	That don't impress me
That don't impress me much	
So you got the looks but have you got the touch	
Now don't get me wrong, yeah I think you're alright
