

Fill in the gaps

5 Years Time by Noah and the Whale

Well in five (1)_____ time we could be walking round
the zoo
With the sun shining down over me and you
And there'll be love in the (2)_____ of the elephant's
too
I'll put my hands over your eyes, but you peek through
And there'll be sun, sun, sun
All (3)_____ our bodies, and sun, sun, sun
All (4)_____ our necks there'll be sun, sun, sun
All over our faces and sun, sun, sun
So, what the heck
'cause I'll be laughing at your silly little jokes
And we'll be laughing about how we used to smoke
All those (5)_____ little cigarettes and
(6)_____ stupid wine
'Cause it's what we needed to have a good time
But it was fun, fun, fun
When we were drinking, it was fun, fun, fun
When we (7)_____ drunk and it was fun, fun, fun
When we (8)_____ laughing, it was fun, fun, fun
Oh, it was fun
Oh, well I'll look at you and say
It's the happiest that I've ever been
And I'll say I no longer feel, I have to be James Dean
And she'll say, yeah well I feel all pretty happy too
And I'm always pretty happy
When I'm just kicking back with you
And it'll be love, love, love, all through our bodies
And love, love, love, all through our minds

And it'll be love, love, love, all over her face
And love, love, love, all over mine
And though merely all these moments
Are just in my head
I'll be thinking about them as I'm lying in bed
And I (9)_____ that it merely, they might not even come
true
But in my mind I'm having a pretty good time with you
Oh in five years time
I (10)_____ not know you
In five years time
We might not speak
In five years time
We might not get along
In five years time
You might just prove me wrong
Oh there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love, love, love
Wherever you go there'll be love

Fill in the gaps

Answer

1. years
