Anybody Seen My Baby by The Rolling Stones

	It's three in the afternoon
She confessed her love to me	Has she disappeared
Then she vanished on the breeze	Has she really gone for good
Trying to hold on to that was just impossible	Anybody seen my baby
She was (1) (2) beautiful	Anybody seen her around
Closer to etherial	If I just close my eyes
With a kind of (3) to earth flavor	I reach out and touch the prize
Close my eyes	Anybody seen her around
It's three in the afternoon	(Oh yeah, that's a loosener)
Then I, I realize	
That she's really gone for good	Anybody seen my baby
Anybody seen my baby	Has anybody (7) her, anybody seen her around
Anybody seen her around	If I could just as close my eyes
Love has gone and made me blind	I will reach out, reach out and (8) the prize
I've (4) but I just can't find	Anybody seen her around
She has gotten lost in the crowd	Anybody seen my baby
I was flippin' magazines	(Anybody seen her around) Lost, (9) and neve
In that place on (5) Street	found
When I thought I spotted her	I must have, I must have called her a thousand times
And getting on a motor bike	(Oh) sometimes I (10) think
Looking really lady like	She's just in my imagination
Didn't she (6) give me a wave?	
The salty tears
