Anybody Seen My Baby by The Rolling Stones

	It's (9) in the afternoon
She confessed her (1) to me	Has she disappeared
Then she vanished on the breeze	Has she really (10) for good
Trying to hold on to that was just impossible	Anybody (11) my baby
She was (2) than beautiful	Anybody (12) her around
Closer to etherial	If I just close my eyes
With a kind of down to earth flavor	I reach out and (13) the prize
Close my eyes	Anybody seen her around
It's (3) in the afternoon	(Oh yeah, that's a loosener)
Then I, I realize	
That she's really gone for good	Anybody seen my baby
Anybody (4) my baby	Has anybody (14) her, anybody seen her around
Anybody seen her around	If I could (15) as close my eyes
Love has gone and made me blind	I will reach out, reach out and touch the prize
I've looked but I just can't find	Anybody (16) her around
She has (5) lost in the crowd	Anybody (17) my baby
I was flippin' magazines	(Anybody seen her around) Lost, lost and never found
In that place on Mercer Street	I (18) have, I must (19)
When I thought I (6) her	(20) her a thousand times
And getting on a motor bike	(Oh) sometimes I just think
Looking really (7) like	She's (21) in my imagination
Didn't she (8) give me a wave?	
The salty tears
