

## Fill in the gaps

I went out (1) night	And (13) dancing to where I am
I'm (2) out tonight again	We're taking it way too far
Anything to capture your attention	But I don't want it to end
(Your attention)	This kiss is something I can't resist
And she's a real (3) girl	Your lips are undeniable
And you know I got a boy	This (14) is (15) I can't risk
Details we both forgot to mention	Your heart is unreliable
(Forgot to mention)	Something so sentimental
And you, I always know where you are	You (16) so detrimental
And you (4) (5) (6) I	And I (17) it didn't feel like this
am	'Cause I don't wanna (18) (19) kiss
We're (7) it way too far	But if you ask me to
But I don't want it to end	I couldn't, I couldn't, I
This kiss is something I can't resist	You're leaning closer and
Your lips are undeniable	I shouldn't, I shouldn't, I
This (8) is (9) I can't risk	But if you ask me to
Your heart is unreliable	I couldn't, I couldn't, I
Something so sentimental	I shouldn't, I shouldn't
You make so detrimental	I don't wanna miss this kiss
And I (10) it didn't feel like this	This kiss is (20) I can't resist
'Cause I don't wanna miss this kiss	Your lips are undeniable
I don't wanna miss this kiss	This kiss is (21) I can't risk
You know you're just my type	Your heart is unreliable
And your eyes are lock and key	Something so sentimental
To my heart	You make so detrimental
Tempting my confession	And I wish it didn't (22) like this
(My confession)	'Cause I don't wanna (23) (24) kiss
And you're a real hot thing	I wish it didn't (25) (26) this
But you (11) I've got a boy somewhere	I don't wanna miss (27) kiss
So can you feel the tension?	
(Feel the tension)	
And you, I'm (12) to where you are
