What Took You So Long by Emma Bunton

Talk to me, can't you see	What took you (8) to see I'm right
I'll help you work things out	You know I treat you so good (I treat you so good)
Don't wanna be your enemy	I make you feel (9) (I make you feel fine)
And I don't want to scream and shout	You know I'll never give it up this time
'Cause baby I believe in honesty	No, no, no
A man that's strong and true	No, no, no
I shouldn't have to say now baby	No. no, no
That I believe in you	No, no, no
What took you so long	Baby I (10) in honesty
What took you all night	A man that's strong and true
What took you forever to see I'm right	I shouldn't (11) to say now baby
You (1) I'll treat you so good	That I (12) in you
I'll make you feel fine	What took you so long
You know I'll never give it up this time	What took you all night
No, no, no	What took you forever to see I'm right
You touched my heart	You know I treat you so good
Right from the start	I (13) you feel fine
You didn't know what to say (didn't know what to say)	You know I'll (14) give it up (15) time
But honey, understand	What took you so (16) (What took you so long)
When you (2) my hand	What took you all (17) (What took you all night)
Everything's OK	What took you (18) to see I'm right
'Cause baby I believe reality	You (19) I treat you so good (I treat you so good)
It's never far away	I (20) you (21) fine (I make you feel
I've had enough so listen baby	fine)
I've got something to say	You know I'll never give it up (22) time
What took you so long	What took you so long (What took you so long)
What (3) you all night	What took you all night (What (23) you all night)
What took you forever to see I'm right	What took you forever to see I'm right
You know I (4) you so good	You (24) I treat you so good (I treat you so good)
I make you feel fine	I make you (25) fine (I (26) you feel
You know I'll (5) give it up this time	fine)
What took you so long (What took you so long)	You know I'll never give it up this time
What took you all (6) (What (7) you	No, no, no
all night)
