

## Fill in the gaps

If you were the Mona Lisa		Like a thief in the night
You'd be (1)	in the Louvre	I (16) in front of a masterpiece
Everyone (2) (3)_	to see you	And I
You'd be impossible to move		Can't (17) you why
It (4) to me		It (18) so much
Is what you are		To be in love with a masterpiece
A rare and (5) work of art		'Cause after all
Stay behind		Nothing's indestructible
Your (6) rope		Nothing's indestructible
But I will not renounce all hope		Nothing's indestructible
And I'm		Nothing's indestructible
Right by (7) side		And I'm
Like a (8) in the night		Right by (19) side
I stand in front of a masterpiece		Like a thief in the night
And I		I (20) in (21) of a masterpiece
Can't tell you why		And I
It hurts so much		Can't tell you why
To be in love (9) the masterpiece		It (22) so much
'Cause after all		To be in love with a masterpiece
Nothing's (indestructible)		And I'm
From the moment I first saw you	u	Right by your side
All the (10)	(11) to bright	Like a thief in the night
An (12)	painting	I (23) in front of a masterpiece
Tiny (13)	of light	And I
It (14) to me		Can't (24) you why
Is what (15)	_ like	It hurts so much
The look but please		To be in (25) with a masterpiece
Don't touch me type		'Cause after all
And honestly		Nothing's indestructible
It can't be fun		'Cause after all
To always be the chosen one		Nothing's indestructible
And I'm		
Right by your side
