SUB ingles

But I wish that you were here (11)_____ me

Fill in the gaps

This Used To Be My Playground by Madonna

This used to be my playground		Well then, there's hope yet
This used to be my (1) dr	ream	I can see your face in our secret place
This used to be the (2) I ran to		You're not just a memory
Whenever I was in need of a friend		Say goodbye to yesterday
Why did it (3) to end		Those are words I'll (12) say
And why do (4) (5) sa	ay	(I'll never say)
Don't look back		This (13) to be my playground
Keep your (6) (7) high		(Used to be)
Don't ask them why		This (14) to be our pride and joy
Because life is short		This (15) to be the place we ran to
And (8) you know		That no one in the world could (16) destroy
You're feeling old		This used to be our playground (used to be)
And your heart is breaking		This used to be our childhood dream
Don't hold on to the past		This used to be the place we ran to
Well, that's too much to ask		I wish you were (17) here with me
This used to be my playground		This used to be our playground
(Used to be)		(Used to be)
This (9) to be my childhood dream		This used to be our (18) dream
This (10) to be the place I ran to		This used to be the (19) we ran to
Whenever I was in need of a friend		The best things in (20) are always free
Why did it have to end		Wishing you were here (21) me
And why do they always say		
No regrets
