

Fill in the gaps

Across The Universe Of Time (Live) by Hayley Westenra

When the sea falls (1)_____ the shore
As the light sinks low, will I see you any more?
As the rain falls from the sky
Can I bring you back, from a distant lullaby?
Show me your vision, the story begun
Two lights are rising and burning as one
In the (2)_____ blue of the night
Shine the (3)_____ of stars and my spirit burning bright
Spinning on, into the sun
Flying higher now my journey's begun
And the cold, cold wind, it blows me away
The feeling all over is a black, black day
But I know that I'll see you again
And I know that you're near me
There's a star, calling my name
It's echo is (4)_____ and the song is not the same
Take my hand and lead me away
Bring me back to you in your arms I'm going to stay
Tell me (5)_____ vision, the story begun
Two lights are rising and burning as one
All those years drifting in space
I have known you well, yet I've never seen (6)_____ face
You turn around, looking at me
Laughter in (7)_____ eyes and now I can see
And the cold, cold wind, it blows me away
The feeling all (8)_____ is a black, (9)_____ day
But I know that I'll see you again
And I know that you're near me
