### I Drove All Night by Cyndi Lauper

I had to escape  
The city was sticky and cruel  
Maybe I should have called you first  
But I was dying to get to you  
I was dreaming while I drove  
The long straight road ahead  
Could taste your sweet kisses your arms open wide  
This fever for you is just burning me up inside  
I drove all night  
To get to you  
Is that alright  
I drove all night  
Crept in your room  
Woke you (1)\_\_\_\_\_ your sleep  
To make love to you  
Is that alright  
I drove all night  
What in this world  
Keep us from tearing apart  
No matter where I go I hear  
The beating of your heart  
I (2)\_\_\_\_\_ about you when the night is cold and dark  
No one can move me the way that you do  
Nothing erases this feeling between me and you
