

Fill in the gaps

How'd you think I feel when you call my name
You got me confused by the way I change
How'd you think I feel when you call my name
My name, say my name baby
Yes I love you
Say for the way I (1) we've been apart
It's an endless circle of poison arrow to my heart
Saying I
I love what you do to me
Need you to stay with me
I
I love you too much to let go
How'd you think I feel when you call my name
You got me (2) by the way I change
How'd you (3) I feel when you call my name
My name, say my (4) baby
How'd you think I feel when you call my name
You got me confused by the way I change
