White knuckles		I (15) (16) (17)	be it for
And sweaty palms from hanging on too tight		us	
Clench your jaw		Blow me one last kiss	
I've got (1)	headache again tonight	You (18) I'm just too serious	
Eyes on fire, eyes on fire		I (19) you're full of shit	
And they burn (2)	all the tears	My head is spinning, so	
I've been crying, I've been crying		Blow me one last kiss	
I've been dying over you		Just when it can't get worse	
Tie a knot in the rope		I've had a shit day	
Trying to hold, trying to hold		You've had a shit day	
But there's nothing to grab		We've had a (20) day	
So I let go		I think that life's too (21) for this	
I (3) I've finally	had enough	Want (22) my ignorance and bliss	
I think I maybe think too much		I think I've had enough of this	
I (4) this might be it for us		Blow me one last kiss	
Blow me one last kiss		Blow me one last kiss	
You think I'm (5) too serious		I will do what I please	
I think you're full of shit		Anything that I want	
My (6) is spinning, so		I will breathe, I will breathe	
Blow me one last kiss		I won't worry at all	
Just when it can't get worse		You will pay for your sins	
I've had a shit day		You'll be sorry, my dear	
You've had a (7) day		All the lies, all the wise	
We've had a shit day		Will be crystal clear	
I think that life's too (8) for this		I think I've finally had enough	
Want (9) my ignorance and bliss		I (23) I (24) think too much	
I think I've had enough of this		I think (25) (26) be it for us	
Blow me one (10) kiss		Blow me one last kiss	
I won't miss all of the fighting		You think I'm just too serious	
That we (11) did		I think you're full of shit	
Take it in		My head is spinning, so	
I mean (12) I say		Blow me one last kiss	
When I say there is nothing left		Just when it can't get worse	
No more sick whiskey dick		I've had a shit day	
No more battles from me		You've had a shit day	
You'll be calling a trick		We've had a shit day	
'Cause you no longer sleep		I think that life's too short for this	
I'll dress nice, I'll (13)	good	Want (27) my ignorance and bliss	
I'll go dancing alone		I think I've had enough of this	
I will laugh, I'll get drunk		Blow me one last kiss	
I'll take somebody home		Blow me one last kiss	
I think I've finally had enough		Blow me one last kiss	
I (14) I maybe t	think too much
