Fill in the gaps

Concrete Angel by Martina McBride

She walks to school with the lunch she packed
Nobody knows what she's holding back
Wearing the same dress she wore yesterday
She hides the bruises with the linen and lace (oh)
The teacher wonders but she doesn't ask
It's hard to see the pain behind the mask
Bearing the burden of a secret storm
Sometimes she wishes she was never born
Through the wind and the rain
She stands hard as a stone
In a world that she can't (1)_____ above
But her dreams give her wings
And she flies to a place
Where she's loved
Concrete angel
Somebody cries in the (2)_____ of the night
The (3)_____ hear but they turn out the light
A fragile soul caught in the hands of fate
When (4)_____ comes it will be too late
Through the wind and the rain
She stands hard as a stone
In a world that she can't rise above
But her dreams give her wings
And she flies to a place
Where she's loved
Concrete angel
A statue stands in a shaded place
An angel girl with an upturned face
A (5)_____ is written on a (6)_____ rock
A broken (7)_____ that the world forgot
Through the (8)_____ and the rain
She stands hard as a stone
In a world that she can't (9)_____ above
But her dreams give her wings
And she flies to a place
Where she's loved
Concrete Angel

Fill in the gaps

Answer

1. rise
2. middle
3. neighbors
4. morning
5. name
6. polished
7. heart
8. wind
9. rise
