

Fill in the gaps

You say
It's all in my head
And the things I think
Just don't make sense
So where you been then?
Don't go all coy
Don't turn it round on me like it's my fault
See I can see
That (1) in your eyes
The one that shoots me each and (2) time
You grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I wish I was her
These days
When I see you
You make it look like I'm see-through
Do (3) me why
You waste our time
When your heart ain't in it and you're not satisfied
You know I know
Just how you feel

I'm starting to find myself feeling that way too
When you grace me with your cold shoulder
Whenever you look at me I wish I was her
You shower me (4) words made of knives
Whenever you look at me I wish I was her
Time and time again I play the role of fool
(Just for you)
Even in the daylight when you think that
(I don't see you)
Try to look for things I (5) but our eyes never find
Though I do know how you play
You (6) me with your cold shoulder
Whenever you look at me I wish I was her
You shower me with words made of knives
Whenever you look at me I (7) I was her
You (8) me with your cold shoulder
Whenever you look at me I wish I was her
You shower me (9) words made of knives
Whenever you look at me I wish I was her (oh, oh, oh)
