

Fill in the gaps

You say	I'm starting to find (12) feeling that way too
It's all in my head	When you grace me with your cold shoulder
And the things I think	Whenever you look at me I (13) I was her
Just don't make sense	You shower me with (14) made of knives
So where you been then?	Whenever you (15) at me I wish I was her
Don't go all coy	Time and time (16) I play the role of fool
Don't (1) it round on me like it's my fault	(Just for you)
See I can see	Even in the (17) when you
That look in your eyes	(18) that
The one that shoots me (2) and every time	(I don't see you)
You grace me (3) your cold shoulder	Try to look for things I hear but our eyes (19)
Whenever you (4) at me I (5) I was her	find
You shower me with (6) (7) of knives	Though I do (20) how you play
Whenever you look at me I wish I was her	You (21) me with your cold shoulder
These days	Whenever you (22) at me I wish I was her
When I see you	You shower me with words (23) of knives
You make it (8) like I'm see-through	Whenever you look at me I (24) I was her
Do tell me why	You grace me with your cold shoulder
You (9) our time	Whenever you look at me I (25) I was her
When your (10) ain't in it and you're not satisfied	You shower me with words made of knives
You (11) I know	Whenever you look at me I wish I was her (oh, oh, oh)
Just how you feel
