Young, Wild And Free by Snoop Dogg & Wiz Khalifa & Bruno Mars

	There's gonna be (15) weed in the air
So what we get drunk	Tell 'em Mac
So what we (1) weed	Blowin' everywhere we goin' and now you knowin'
We're just (2) fun	When I step right up
We don't (3) who sees	Get my (16) so I can light up
So what we go out	That's how it (17) be done
That's how its supposed to be	Soon as you thinkin' you're down
Living young and wild and free	Find how to turn (18) around

Watch how you lean on it	Got my own car, no job, no children
Give me some 501's jeans	Had a science project, me and Mac killed it
On and roll joints bigger than	T-H-C, M-A-C, D-E-V, H-D-3, high as me

Chevy, its gettin' kinda heavy, relevant, sellin' it	When you live (23) this you're supposed to party
Dippin' away, time keep slippin' away	Roll one, smoke one, and we all just (24) fun
Zip in the safe, flippin' for pay	So we just, roll one, smoke one
Tippin' like I'm drippin' in paint	When you live like (25) you're supposed to party
Up front four blunts	Roll one, smoke one, and we all just having fun
Like Khalifa put the weed in a J	So what we get drunk
